O R D E R

INTERIM ORDER

On January 20, 1986, Sanitation District No. 1 of Campbell and Kenton Counties ("Sanitation District") filed a proposed general tariff which gave notice of a rate reduction to be effective February 10, 1986. The Sanitation District requested a waiver of any rules and regulations which would delay the proposed effective date of the reduction.

On January 31, 1986, the Commission issued an Order that stated that the Sanitation District had not shown sufficient cause to be allowed to deviate from the applicable rules and regulations. The Order additionally requested further information to be filed by the Sanitation District by February 7, 1986.

On February 4, 1986, the Commission received a letter from the Sanitation District wherein it is stated that it will be difficult for it to file the information requested by February 7, 1986, but will exert every effort to do so. The Sanitation District further stated their desire to place the proposed reduced rates in effect on February 10, 1986.

After reviewing the information filed by Sanitation District the Commission is of the opinion and finds that:

1. The rates proposed by the Sanitation District should be placed into effect for service rendered on and after February 10, 1986, on an interim basis.

IT IS THEREFORE ORDERED that the rates proposed by Sanitation District shall be placed into effect for service rendered on and after February 10, 1986, on an interim basis.

Done at Frankfort, Kentucky, this 10th day of February, 1986.
